TECHNICAL SKILLS

HTML, CSS, JavaScript, jQuery, Bootstrap, Firebase, MySQL, MongoDB, Express, React, NodeJS, GIT

WORK EXPERIENCE

Technical Integration Consultant **Celigo** **Nov 2019 - Apr 2020**

- Customizing NetSuite records with appropriate fields and developing Saved Searches with custom formulas.
- Building custom flows in Celigo's integrator.io app to transfer data between databases of 150+ different endpoints such as NetSuite, Shopify and Salesforce.
- Working with clients to implement custom data integrations between their databases, and constantly applying the required logic to most efficiently integrate
- Coding in JavaScript to supplement any integration involving advanced data transformations

Web Development Consultant **Phelan McCall Consulting** **2019 - Present**

- Customized web design that works for any platform, service, or product
- Full analysis of current design and recommended improvements
- Tutoring in HTML/CSS/Javascript and MERN stack

Web Developer **El Sobrante Vet Hospital** **2018 - 2019**

- Update Wordpress website with up-to-date business information
- Customizing mobile-friendly theme using Wordpress and HTML
- Increase client engagement through linking social media like Yelp and Facebook

PROJECTS

Personal Website: phelanmccall.github.io/portfolio (for additional projects)

Battle [Repo](#) [Demo](#)

- Developed a turn-based RPG based battle game involving stats and items completely in React.
- Integrated local storage for game saving features.

TechBook [Repo](#) [Demo](#)

- Collaborated with a team to develop a network for potential funders to connect with projects in need of funding.
- Designed and implemented testing for complete React components and server-side API with Node.js
- Tools used: React, passport.js, clouinary, mySQL.

Roposho [Repo](#) [Demo](#)

- Developed a Rock, Paper, Scissors game with other real players or an available AI opponent.
- Integrated user authorization and a multiplayer system through database web-sockets.
- Tools used: jQuery, Firebase
